

4 SLIGHTLY HURT IN 3 CRASHES ON ADAMS ROADS

A truck operated by Robert J. Lawrence, 33, of New Oxford R. 2, broke a telephone pole and came to rest in a corn field at 2:55 o'clock Thursday afternoon on the Hanover-Cross Keys Rd. a half mile south of the Bethlehem quarries, state police of the Gettysburg substation reported.

They said Lawrence was driving south toward Hanover, following an automobile. He was forced to slow down, and when he applied the brakes, skidded off the road, Highway on the east side of the road. Damage to the truck was estimated at \$50. Lawrence escaped injury.

Crash At York Springs

Cars operated by Charles Wesley York, 43, of Pikesville, Md., and John C. Crook, 37, of Wellsburg R. 1, Pa., figured in a collision at the York Springs intersection at 6:10 p.m. Thursday, state police said. The car driven by York was traveling southeast on the York Springs-Cross Keys Rd., and Crook was traveling north on the Harrisburg Rd.

Police said York drove in front of the Crook car at the intersection. He was arrested on a charge of failing to yield to right of way and paid a fine of \$10 and costs to Justice of the Peace F. E. Coulson, York Springs.

Walter Dinehart, 62, Baltimore, suffered a laceration of the forehead and bruised shoulder, and Mrs. Dinehart, bruised knee and shock. They were treated by a Dillsburg physician. Both were passengers in the Crook car. Damage to the Pikesville vehicle was estimated at \$350 and to the Crook car at \$300.

Two Hurt At Cross Keys

Two persons were injured slightly in an accident at the Cross Keys intersection of the Lincoln Highway and the Cross Keys-Hanover Rd. at 5:30 p.m., state police said. Grace A. Johnson, 53, of St. Petersburg, Fla., suffered a bruised right arm, and Marguerite Eckles, 56, of Chambersburg, a bruised left arm.

Police said an automobile operated by Arlene Madge Johnson, 17, of St. Petersburg was traveling north, and drove in front of the car of Herbert E. Eckles, 54, of Chambersburg. The latter was going west on the Lincoln Highway.

Damage to the Johnson car was placed at \$300, and to the Eckles car at \$100.

Fanatical Red Chinese Lashed Together By Wire At Front

SEOUL (AP)—South Korean infantrymen backed off the peak of embattled Lookout Mountain in Central Korea today after fighting their way up through fanatical Chinese troops including some lashed together by wire.

An Eighth Army officer said the RO soldiers pulled back to the southern slope after a small enemy force counterattacked in the afternoon.

Officers of the 3rd ROK division told Associated Press Correspondent John Randolph that infantrymen who swept Reds off the battered ridge after dawn found a number of Chinese bodies wired together. They could not say how many of the bodies were tied.

Suicide Pact?

The officers said the Chinese apparently had either made a suicide pact to die fighting, or they were wired together to keep them from retreating.

Shortly before noon South Koreans dug in on the crest of Lookout reported, breaking up a counterattack by three Chinese companies which charged up the slope in the wake of a heavy artillery and mortar barrage.

A three-prong South Korean attack launched before dawn ousted a Chinese battalion of about 75 men from three main positions on the ridge which forms Lookout Mountain, the Eighth Army said.

The ROKs and Communists have been locked in bitter see-saw fighting for a week in the pocket formed by the Pukhan and Kumsong Rivers on the East-Central Front.

Thrilling FBI Program Sunday

An important meeting of the "Top" Commies is scheduled and FBI Undercover Agent Matt Cvetic is given the dangerous task of wiring the meeting hall for the FBI in the "I WAS A COMMUNIST FOR THE FBI" broadcast over station WGET at 7 p.m. Sunday.

In order to gain entrance to the meeting hall, Cvetic tells his cellmate that he has discovered traces of an FBI wiring job. The leader, upon hearing this, assigns him to investigate further. Cvetic plans to install the equipment while carrying out this assignment but his plans are halted when another Communist is sent to aid him. His first attempt having failed, he then tries entering the building at night but before he is able to complete the job, his Comrade again appears, and suspecting Cvetic, calls his superior. Cvetic clears himself by saying he had returned to remove a mike which his helper had overlooked.

Then the day of the meeting arrives and
Tune in WGET Sunday night at 7 o'clock and hear the climax of this thrilling episode.

2,000 FARMERS TO GET WHEAT ACREAGE QUOTA

More than 2,000 Adams County farmers will be sent quotas for their wheat acreage by the Adams County Production and Marketing Committee as a result of the action taken Wednesday by U. S. Secretary of Agriculture Ezra Taft Brannan calling for such quotas on next year's wheat production.

The step was taken by Brannan under a federal law which provides that the Secretary of Agriculture must announce quotas when the production of wheat is higher than 15 per cent above national needs. This year the more than one billion bushel crop is estimated at 48 per cent above the amount that can be used.

Martin T. Walter, chairman of the county PMA, said that he has not yet received the quota for acreage for the county. That quota will be based on the national and state quotas, which were being set today.

Tells Auxiliary Of State Convention

A regular meeting of the Ladies Auxiliary of the Fraternal Order of Eagles was held Thursday evening at the Eagles Home, Chambersburg St., with the president, Miss Martha Strausbaugh, presiding.

A report on the state convention at Indiana, Pa., was made by Sara Riggs, delegate, who served as chairman of the Auditing Committee. Others who attended the convention were Miss Strausbaugh and Rose Anzenberger.

Miss Strausbaugh announced the card parties will be discontinued until next fall. The door prize was awarded to Pauline Wright and the "good of the chapter" award to Violet Smith.

Another regular meeting will be held Thursday evening, July 16, at the Eagles Home.

Recommended For Place On Bench

Attorney James F. Gilliland, Philadelphia, a native of Gettysburg and brother of Miss Anne Gilliland, Carlisle St., is among 10 attorneys recommended to Governor John S. Fine by the judiciary committee of the Philadelphia Bar Association for appointment to Municipal Court to fill the vacancy caused by the recent death of Judge William Linton.

The recommendation of Attorney Gilliland was made last week by Bernard G. Segal, chancellor of the association, who also submitted the names of five Philadelphia attorneys as being qualified for the appointment to the State Superior Court to fill the vacancy created last April by the death of Judge Heber Dithrick.

Leaves Today For Elks Convention

James R. Riegle, exalted ruler, will be the delegate of the Gettysburg Lodge of Elks to the National Elks convention in St. Louis, Mo., Sunday to next Thursday, inclusive. He will leave this evening by train from Harrisburg.

H. Earle Pitzer, Aspers, and Warren T. Dunn Sr., Cashtown, will also attend the convention.

SELLS PROPERTY

Mrs. Regina H. Steinberger, Fayetteville R. 1, has sold an improved property in Franklin Township to Mrs. Annie E. Swope of Westminster R. 1, Md. Immediate possession will be given. The sale was made through John C. Bream and Son.

GASOLINE THEFT BRINGS SWIFT ACTION BY COPS

A 28-year-old Negro who obtained 16 gallons of gasoline at a service station on the Lincoln Highway west of Gettysburg operated by Samuel Baumgardner, Seven Stars, at 7 o'clock Thursday morning and drove away without paying for the gas, is in custody of federal authorities on a charge of driving a stolen automobile.

State police of the Gettysburg substation said his name was Lily Nesbitt, of Ft. Wayne, Ind. The car, a 1951 Cadillac, was owned by Hyman Goldberg, Suffern, N. Y., police said, and was stolen Wednesday morning. Nesbitt was enroute to Ft. Wayne when apprehended, according to police.

Nesbitt drove up to the Baumgardner service station and ordered that his gasoline tank be filled. He then told the attendant to put oil in the car. When the latter went into the service station to get the oil, Nesbitt drove away, police said. Baumgardner telephoned the Gettysburg substation and the Chambersburg substation was notified. A Chambersburg patrol car was cruising on the Lincoln Highway and picked up Nesbitt and the stolen car.

Nesbitt was taken to Chambersburg, and turned over to FBI Agent Michael Davis there for federal prosecution on a charge of transporting a stolen automobile across state lines.

Firemen To Discuss County Aid Proposal

A proposal to ask county officials for financial assistance to the fire companies of the county is scheduled for discussion at a quarterly meeting of the Adams County Volunteer Firemen's Association to be held Monday night at 8 o'clock in the Cashtown Fire Hall.

A film will be shown and talk given by an instructor for the State Council of Civil Defense, Harrisburg, at the meeting, and John Murren, county Civil Defense fire chief and fire marshal, will give a report on a C-D school he attended at Penn State.

Harry Small, John Hartzell, Bruce Wetzel, Kenneth Mickey and Eugene Kane comprise the Cashtown committee on arrangements for the meeting.

PLAZA OFFERS OUTDOOR MAP

Tourists coming to Gettysburg will have the advantage of a large map which has been placed on the Lincoln Square side of the Plaza Restaurant as part of the new decorative scheme of the remodeled restaurant and building.

Made up of several panels of enamel baked on metal, the map shows the main highways leading into Gettysburg, and "The Most Historic Points of the Gettysburg Battlefield."

Among these points are the location of the spot where the first shot of the battle was fired; the area of Pickett's Charge; Meade and Lee headquarters, High Water Mark, the Round Tops; Devil's Den, the Peach Orchard, Culp's Hill and the Eternal Light Peace Memorial.

The new decorative exterior of the building up to the second floor level is entirely of enameled steel in maroon, gray and cream tones. The upper part of the building is being painted a cream, with maroon trim.

The map informs tourists that the battlefield contains 16,000 acres, 25 square miles, and 2,500 monuments or markers, and recommends: "For an enjoyable tour, secure the services of a guide." It also informs the public that the Plaza Restaurant, of which N. A. Meligkas is proprietor, has been "Providing Good Food Since 1914," and "Is here to serve you."

3 New Emmitsburg Teachers Appointed

Resignations of three public school teachers at Emmitsburg were accepted and three appointments made at a regular meeting of the Board of Education of Frederick County Wednesday.

The resignations were from Mrs. Ethel Little, Mrs. Doris L. Ziebell and Helen Martin. Those appointed were Mrs. Carolyn Baer, James McKeon and Mrs. Helen W. Claypool.

ANNUAL FIELD TOUR BY 4-H UNIT PLANNED

Plans for the annual field tour by the members were outlined Thursday evening at a meeting of the Adams County 4-H Council held at the farm of Parr Breighner, Littlestown R. D.

The tour, open to all members of the council, will cost \$10 each, and will be held either July 29-30 or July 30-31 depending on what arrangements can be made with the places to be visited.

Assistant County Agent Fred H. Attinger was named as treasurer for the event, with members to make their reservations with Attinger by July 15.

To Tour Phila. Area

The group plans to leave here early by bus, tour the Ford plant at Chester in the morning and visit Independence Hall and the Franklin Institute in Philadelphia in the afternoon. After attending a night baseball game, the group will spend the remainder of the night at a hotel near Philadelphia. The next morning they will visit the Walker Gordon farm in New Jersey and then either return to Gettysburg, stopping at various spots enroute or return to Philadelphia to complete the tour if all spots were not seen the prior afternoon. The group expects to return here late the second night of the trip.

Participation by the council in the South Mountain Fair was discussed with the group outlining various plans for the annual exhibits placed by the 4-H members there. Further plans were also developed for the float to be constructed this evening at the home of Lindale Brandon.

Members of the 4-H were asked to be present at the Recreation Field at 1:30 o'clock Saturday afternoon to form for the parade. The council will have both a float and a marching unit in the Fourth of July procession.

LICENSED TO WED

A marriage license has been issued at the Court House to James Charles Roberts, York Springs, son of Edward Roberts, Chicago, and Raelene Frances Kemper, daughter of Mrs. Frances Kemper, York Springs.

Parade, Speeches, Fireworks

The Gettysburg Fire Department's observance of the 90th anniversary of The Battle of Gettysburg and of Independence Day reaches its climax over the weekend. The following events are scheduled:

High School Band To Be In Summer Outfits

Members of the Gettysburg High School band will appear in their new summer-style uniforms in the July 4 parade here on Saturday.

Wearing the regular maroon and white trousers, the band members will appear for the first time in the new white, maroon-trimmed shirts, recently secured for summer appearances. The shirts were bought with money raised in a canvass of the town by a group of members of local lodges and veterans' groups.

Robert Zeigler, band director, asked members of the band to meet at the high school building at 1:15 o'clock Saturday for the parade.

Charles Lauer treasurer of the group that made the solicitation for the band fund, said today "more than \$500" has been collected. A complete report will be made later, he added.

LT. G. E. UNGER IS ASSIGNED HERE TO ROTC STAFF

1st. Lieut. Guinn E. Unger, a graduate of Biglerville High School, 1943, and Gettysburg College, 1949, has been assigned to the Army ROTC staff at the college, and will assume his duties here September 1, the Department of Military Science and Tactics announced today.

Lieut. Unger is now serving in Europe. After graduation from Biglerville High School, he attended the University of Florida for six months, where he specialized in engineering. This was followed by a year's work at Temple University in business administration. He received his AB degree at Gettysburg College in economics.

He is completing three years and ten months of active military service, and has been in Europe since July, 1952, serving with the infantry.

Lieut. Unger received special instruction as a parachutist, in airborne communications and the basic infantry course at the Infantry School. He served as a platoon leader in the 26th Infantry, as gunnery and executive officer with a heavy mortar company of this regiment overseas.

He is married and has two children.

MOOSE PREPARE FOR VISIT OF SUPREME HEAD

Plans for the official visit here next Wednesday by Supreme Governor Fritchot T. Sallness were outlined Thursday evening at a meeting of the Moose Lodge held at the Moose home on York St.

Governor Russell Mummert said the head of the International Loyal Order of Moose, a Michigan attorney, would preside at an initiation service to be held Wednesday evening at 8 o'clock.

Approximately 100 candidates for membership from Moose lodges from throughout this section are scheduled to be present. Up to the present time 50 candidates for membership in the local lodge are scheduled to be initiated.

Mr. Mummert said the Moose Degree Team from Harrisburg will be in charge of the exemplification of the ritual of membership. Twenty applications for membership were acted upon by the lodge at its Thursday session.

Elected to represent the local lodge at the state convention at Allentown September 4, 5, 6 and 7 were Governor Mummert, Junior Past Governor Robert Neary and Junior Governor Nevin Bush.

Secretary Charles Lauer reported on his recent trip to Mooseheart at which he was initiated into the Pilgrim Degree of the Moose — the highest degree given by the order and based upon service to the lodge. Mr. Lauer has served as secretary of the local lodge for 22 years and was one of the charter members of the local organization.

The next business meeting of the lodge will be held July 16.

Reserve Unit Will Go To Camp Pickett, Va.

Four Adams County members of the 959th Heavy Automotive Maintenance Co. of the United States Army Reserve will leave here Saturday to join other members of the company in York County, for a two-week training period at Camp Pickett, Va.

They are: Cpl. John Snyder, 202 Buford Ave.; Pfc. James Kump, Gettysburg R. 3; Pfc. Paul Walter, 144 Chambersburg St., and Pvt. Donald Hoff, Red Patch Ave.

PAYS BATTLEFIELD FINE

Ralph R. Kessler, Gettysburg R. 4, has paid a fine of \$15 and costs before U. S. Commissioner Edward B. Bulleit on a charge of speeding on W. Confederate Ave. The charge, laid by Park Warden Emmet Nett, stated the offense was committed May 29.

Severe Wind And Electrical Storm Sweeps Across Upper County; Heavy Damage To Buildings, Utility Lines

A severe wind and rain storm accompanied by lightning and in some sections hail swept across upper Adams County from Arendtsville to Heidlersburg about 5 o'clock Thursday evening causing damage estimated at thousands of dollars.

Winds reached what some witnesses called "cyclonic intensity" and several folk in the Biglerville section said there was a funnel shaped cloud accompanying the storm.

From 200 to 300 telephones in the area were knocked out of service in what John Caldwell, United Telephone Company manager, said was the worst storm so far this season in this county. Workmen expected to have all the telephones back in service today.

Traffic halted
The chief damage to the telephone lines was by falling limbs and trees or by snapped power lines falling across the phone wires.

Near Twin Bridges a huge tree was uprooted, halting traffic on the Gettysburg-Harrisburg Rd.; other trees smashed into secondary roads in the area. J. William Kendeheart Jr., county superintendent of highways reported, wiping out telephone and electric connections and halting traffic.

An automobile accident on the Biglerville-Heidlersburg Rd. was attributed to the storm, with a motorist hitting a tree that had fallen across the road; barn roofs were ripped off, and pieces of the metal roof hurled a quarter-mile across fields. Freakishly the storm, besides causing other damage, took one stove out of a silo at the farm of W. Clayton Jester, Biglerville R. D., leaving the remainder of the silo intact.

Firemen Called Twice
Firemen responded to two fires in Biglerville, both believed caused by the storm; concrete blocks on the gable end of the addition being constructed at the Rice, Trew and Rice plant at Biglerville were hurled several hundred feet as the storm blew down the entire south end of the structure.

Caretakers for the highway system, Metropolitan Edison, Adams Electric Cooperative and United Telephone crews were busy for hours after the 15-minute windstorm repairing damage and getting the roads and lines back into shape. Electric power was unavailable in Biglerville until 9 o'clock.

Residents along the Biglerville-Heidlersburg Rd. estimated the wind struck from 4:45 to 5 p.m.; Biglerville residents set the time about 4:50 to 5 p.m. At Heidlersburg residents said the worst blast from the storm came from about 5:15 to 5:30 o'clock.

The wind which twisted and bent television aerials in addition to uprooting and twisting off trees, was followed by a heavy rain, including some hail, for about an hour after the wind storm broke. Several residents of the Biglerville area spoke of the storm being a "funnel shaped" cloud. One woman said the hail which followed seemed more like snow.

Biglerville Firemen Called
Between 5 and 5:30 o'clock the Biglerville fire department was called to the home of Joseph Kuykendall, Third St., Biglerville, where lightning is believed to have struck a wire leading and set the refrigerator in the home afire. Damage was confined to the refrigerator.

At the same time a television antenna at the home of Harold Rexroth, Penn St., Biglerville, smashed down across electric wires causing the wire to burn through and fall, sparking to the ground. The TV set was "burned out," according to reports.

At least 15 television aerials were toppled in Biglerville, William Lerew, of the Biglerville Television Co., said. After the storm the town was littered with limbs of trees that had been torn and tossed about; a large number of trees were felled. At the home of Richard Raffensperger a huge willow tree, measuring 80 inches at the base, was partially uprooted and pushed toward the house by the force of the wind. Remaining roots prevented the tree from falling.

Stolen Pocketbook Returns From Italy

George R. Martin, 40 W. High St., proprietor of Martin's Shoe Store, Baltimore St., whose pockets were "picked" in Italy while he and Mrs. Martin were visiting a son and family at Casa Bianca, and touring Italy, France and other countries, received the stolen wallet in the mail from the U. S. Consulate in Italy today.

Fifty dollars which the wallet contained was missing, but other papers were intact.

The consulate informed Mr. Martin that the wallet had been found in a mail box in Italy in mid-June. The Martins visited Italy in April.

SOUTHEASTERN ADAMS COUNTY HIT BY DROUGHT

The prolonged hot-dry spell, which has afflicted the southeastern part of the county more than the central and northeastern areas, is beginning to cause worries over the size of the canneries crops scheduled to be harvested within the next few weeks.

In the Littlestown area the B. F. Schriver Co. reported that the pea crop apparently "beat the drought," although a spokesman said a good shower a week or ten days ago would have added "somewhat" to the quantity of peas available. However, he added, the Alaska pea crop was larger than last year while the sweet pea harvest was about equal to last year's.

String beans seem to be hardest hit, according to reports from some field workers of canneries in the southeastern part of the county. Lack of rain probably will cut production up to 50 per cent on some farms, they said.

Good For Wheat, Hay
Corn and tomatoes "really need rain" according to reports from the area. Assistant County Agent Fred Attinger reported a field trip made by him Tuesday showed the early set of tomatoes to be "fair," but said both corn and tomatoes need rain.

He added that all sections of the county are in need of rain. The dry weather, while affecting most incoming crops, was ideal for hay and wheat and the harvest of wheat has shown it to be for the most part of good quality, dry and in good quantity.

In tomatoes the early blight seems to have been confined for the most part to a "minor difficulty" and late blight has not as yet been found in the county.

Mrs. Frank Shambaugh has returned to her home at Mohnton, Pa., after a visit of several weeks with her mother, Mrs. Agnes Stallsmith, E. Middle St. The latter will have as guests this weekend Mr. and Mrs. Maurice Stallsmith and James Kellogg, all of Lancaster.

Mr. and Mrs. Ferris Brogan, New York City, are spending the weekend with the latter's mother, Mrs. Beatrice Sponser, 205 S. Stratton St. Mr. Brogan has accepted a position with an advertising agency in Washington, D. C., and he and his wife, the former Miss Patricia Sponser, will move from New York to Arlington, Va., July 10.

Mr. and Mrs. Clyde H. Pensinger, Chambersburg, will spend the weekend with their son and daughter-in-law, Mr. and Mrs. Paul G. Pensinger, W. Middle St.

Weddings

Hornock — Masemer

Miss Virginia Irene Masemer, daughter of Mr. and Mrs. Melvin Masemer, Mac Donald Heights, near York, was married June 28 to George Edward Hornock Jr., son of Mr. and Mrs. George E. Hornock, New Alexandria, Pa., with the double ring ceremony performed at York's First Church of the Brethren by the Rev. M. Guy West, pastor. The bride's mother is the former Miss Irene Dicks, of near New Oxford.

Miss Dorothy Masemer, the bride's sister, and Miss Nancy Paules, York, were bridesmaids, with Stephen Hornock, New Alexandria, brother of the bridegroom, best man. Michael Hornock, brother of the groom, and Philip Paules, York, were ushers.

After the ceremony, there was a reception at the home of the bride's family. The couple spent this week in the Pocono Mountains, and will now make their home in York.

The bride received her education at York High School, and Juniata College. Mr. Hornock is a graduate of Greensburg High School and Waynesburg College, and served two years in the army.

English-Wolf

Miss Jane Wolf, Stewartstown, and Houston Texas, daughter of Mr. and Mrs. Roy A. Wolf, Houston, Texas, and Blair R. English, son of Mr. and Mrs. Lynn R. English, Pittsburgh, were married at 4 p.m. June 29, at Advent Lutheran Church, York. The double ring ceremony was performed by the pastor, Rev. H. Walter Weber.

The couple will reside at 521 S. 42nd St., Philadelphia.

The bride was graduated from Pennsylvania State College in January, 1953, and taught this spring at York Springs High School.

The bridegroom, a 1953 graduate of Pennsylvania State College, will attend School of Veterinary Medicine at the University of Pennsylvania.

Mrs. Robert Carey Buried
Funeral services for Mrs. Robert Carey, 79, Gettysburg, who died Tuesday at the Warner Hospital, were held this afternoon at 2 o'clock from the Bender Funeral Home conducted by the Rev. Robert Schiebel, Interment in Fairview Cemetery, Gettysburg.

The pallbearers were Lawrence Myers, Eugene Current, Fred Lewis Reynolds, Criswell, E. D. Bushman and Paul Hartman.

WASHINGTON (AP)—The Bureau of Internal Revenue reportedly has ruled that the United Mine Workers must pay taxes on the income from its 90 million dollar welfare fund and that retired miners must pay taxes on their pensions.

Informed persons said today the decision presumably means that 60,000 retired pensioners of John L. Lewis' union will be billed for taxes from the start of their pensions—in some cases back to 1945.

AT FIRST AID STATION

The Red Cross first aid tent at the firemen's carnival will be staffed this evening by Mrs. Raymond Blasing, a practical nurse, and Mrs. Dorothy Riffe, a staff aide.

Is Whiskey A Preservative?

THORNTON HEATH, England (AP)—For years and years they warned Hannah Proctor her daily pint of whisky would kill her and, a doctor told the coroner yesterday, it did at the age of 78. "She was the only chronic alcoholic I ever knew to reach such an age," said Dr. David Haler, a pathologist. He said the cause of death was cirrhosis of the liver. "Alcohol," mused Coroner J. W. Bennet, "can be a preservative."

NICE 4TH FOR MOST OF U. S.

(By The Associated Press)
Pleasant and moderately cool weather was the outlook for wide areas of the country for the Fourth of July, ending a spell of hot and muggy weather.

Cooler and drier air from the Pacific today extended over the North Central states from the Missouri Valley to the Lower Great Lakes and as far south as Southern Illinois and Indiana.

The cool front moved eastward and was expected to bring relief from the warm weather in the Eastern states by tonight and tomorrow. Today was generally fair and warm in all the Southern states and as far north as New York City. It was hot again in the Southwest.

98 IN D. C. Thursday
The cooler air dropped temperatures as much as 21 degrees in Eastern Colorado yesterday. Chicago had its first pleasant night of sleeping since Monday as temperatures dropped to 64 degrees after a high of 90 yesterday.

Thundershowers were reported in several areas from Western Nebraska to New England during the night. Damaging thunderstorms skipped across Pennsylvania breaking a four-day heat wave and causing thousands of dollars damage from wind and lightning. Many areas of the state were without electricity temporarily. Winds in some sections were reported as high as 85 miles an hour. Widely scattered thundershowers also were reported from Western Nebraska to the Texas Panhandle, in the Great Lakes region and in New England.

In Washington yesterday, with temperatures up to 98 degrees, nine persons were overcome by heat exhaustion. Some 15,000 federal workers were allowed to go home early. A rainstorm early last night dropped temperatures from 91 to 77 degrees.

QUIZ EX - HERO IN TWO DEATHS

BAYONNE, N. J. (AP)—A hero of the Morro Castle ship disaster was held today as a material witness in the bludgeon deaths of 83-year old William Hummel and his spinster daughter, Edith.

Police booked George W. Rogers as a material witness last night and said he was believed to be the last person to see Hummel alive. Rogers, 37, now a radio repairman, was reported to be a close friend and neighbor of Hummel.

The badly decomposed bodies of Hummel and his 58-year old daughter were found in their home Wednesday—about 12 days after their deaths. More than \$2,000 Hummel reportedly withdrew from a bank was unaccounted for.

Nineteen years ago, Rogers was chief radio operator on the luxury liner Morro Castle. He stuck to his post to send SOS signals when fire broke out aboard the ship, which subsequently went aground off Asbury Park, N. J.

An autopsy yesterday disclosed that Hummel and his daughter had died of fractured skulls and that a blunt weapon apparently had been used.

According to Police Capt. Louis Smith, Rogers was questioned because neighbors said he had been a close friend of the Hummels, but did not appear after the tragedy was discovered.

Car Kills Man As He Sits On Curb

NEWARK, N. J. (AP)—A car jumped a curb, bowled into a tree and bowled over four men to death, killing one of them and injuring two others.

Dead was 17-year-old Alvah Watts of Jermyn, Pa., who had taken a job for the summer at the Allied Federal Screw Machine Products Co. here.

Watts and the three other men had finished late shift chores at the plant and were sitting on a curb waiting for a bus. Then the car plowed into them.

Police said the driver of the car, Cleveland Rouse, 24, of Newark, had only a learner's permit.

HENLEY - ON - THAMES, England (AP)—Princeton's 150-pound crew today gained the semifinals of the Thames Challenge Cup competition but the Kent School of Connecticut was eliminated in the Henley Regatta.

The favored Princeton lightweight rowers won by three-quarters of a length over Peterhouse College of Cambridge, covering the mile and 550-yard course in 6 minutes, 56 seconds.

large tree from smashing down atop the house, but the towering willow will have to be removed, Raffenspergers said.

Tree Falls On Cars
At the C. H. Musselman plant a tree fell crushing the front fender and denting the top of a car owned by Daniel Sanders, Gettysburg, and smashing the rear fender of a car owned by Harold Carbaugh, also of Gettysburg. Both men, employees at the plant, had taken advantage of the shade from the tree by parking under it.

At the home of Clair Shillito an ancient oak tree, described as one of the landmarks of that section, lost limbs said to be "as thick as a man's body."

At the home of Donald Rouzer, north of Biglerville, a pine tree was pulled out by the roots, another ripped off about half way up the tree. At the home of Mrs. E. Dale Heiges, E. York St., Biglerville, a huge pine was broken off 15 feet from the ground.

Roofs, Barn Damaged
Both farms owned by W. Clayton Jester were damaged by the storm. At the home farm the wind blew a porch roof completely off, scattered porch furniture about in a yard, blew in one of the large front doors of the barn and twisted the other; picked up two range shelters and turned them around; took the top off a corn crib, hurled the roofing from about one-fourth of the barn for a distance of about one-fourth mile; took a number of shingles off the roof of the house, and performed the "impossible" trick of removing one stave from the silo.

At the other Jester farm part of the east end of the main barn was blown in, a shed over a well was demolished, and part of the roof was blown off a hog pen and the structure itself was so twisted it will have to be dismantled. A number of trees on both farms were blown down or ripped apart.

At the David Harman farm, near the Jester farm part of a barn roof was ripped off; at the Samuel Noel farm, toward Heldlersburg, a tree was blown across the road and an auto was reported to have struck the fallen tree. At the Glenn Brough farm the top of a silo was mashed.

Power Lines Hit
The Adams Electric Cooperative reported damage to its lines at a number of places from Biglerville to York Springs and in the Dover section of York County.

Metropolitan Edison Manager Richard Dress said the company's wires were down at five places in Biglerville, at a spot long the Ardentville-Biglerville Rd. and at another site in Ardentville itself. Three of the broken wires were caused by trees dropping across them, one was caused by the fall of the television antenna and the others were believed caused by the wind whipping the wires together.

Truce Talks Held Up By Pres. Rhee's War Demands

By SAM SUMMERLIN
SEOUL (AP)—Success of U. S.-South Korean truce talks apparently hung today on only one vital issue—President Syngman Rhee's demand for more war in a post-armistice political conference doesn't agree within 90 days to unify Korea.

A high source said U. S. envoy Walter S. Robertson rejected Rhee's demand in an hour-and-five minute meeting this morning—their seventh secret session.

To Talk Again
After the conference Robertson told newsmen:

"Our discussions are continuing. I expect to see President Rhee again."

No time has been set for the next session.

Even if Rhee and Robertson reach agreement, the U. N. must get the Communists to sign the truce.

Reds Were Ready

The Reds apparently were ready until Rhee freed 27,000 anti-Red Korean War prisoners about three weeks ago.

Since then, they have balked stubbornly, demanding the almost-impossible recapture of all the prisoners and positive assurance of U. N. control over South Korea.

The U. N. answered the Red demands Monday and called for a quick signing of the present armistice, but there has been no official Red reply, nor any indication when they would. However, unofficially, North Korea has expressed displeasure with the U. N. answer.

Coming Home Soon

In more than a week of U. S.-South Korean talks, Rhee has refused to temper his demand for a guaranteed unification of North and South Korea. The U. S. has offered to work for unification by peaceful means, but won't promise to go back to war if the political conference doesn't agree within

Officers of the Conewago Lions Club were installed by Alvin Jones, New Oxford, chairman of Zone A, District 14-C at a Ladies Night banquet held in the McSherrystown Moose home Wednesday night.

Installed were William Brady, president; Edward Poist, first vice president; B. C. Schuchart, second vice president; Henry Conner, third vice president; Theron Neiderer, Lion tamer; F. L. Klunk, tail twister; Ted Adams and Frank Miller, directors for two years and George Nicholson and Jack Crouse, directors for one year.

Joseph Sneringer, chairman of the club's recreation committee which is sponsoring a junior baseball league, gave a report. Edward Poist spoke on his recent trip to California.

2,000 FARMERS

(Continued from Page 1)

as the details of the quota are available, the county PMA office will send cards to the 2,043 farmers in the county who raised wheat on 27,078 acres this year notifying them of their acreage quotas. Similar cards will go to farmers who did not raise wheat the past few years, but have notified the county board of their plan to seed wheat for the coming year.

The notices will also set the times and places for the election that must be held by the farmers this month to decide whether or not they want to go under the quota system. If, nationally, the farmers decide in favor of the quota then wheat will be supported at 90 per cent of parity next year. If the farmers vote against the quota system they will still receive allotments for wheat acreage and wheat will be supported at 50 per cent of parity. Walter said today he "assumed" that elections will have to be held in each of the six districts into which the county is divided for PMA purposes, adding that his office is awaiting instructions on when and where to hold the farmer voting.

90 days, a high source said. Well-informed observers predicted Robertson will start his homeward flight to Washington within a few days—successful or not.

LEGAL RULING CASTS PALL ON NEW TAX PLAN

By LEONARD A. UNGER

HARRISBURG (AP)—A new ruling by Atty. Gen. Robert E. Woodside cast a pall today over a plan to tax federal income tax payments as a means of solving the commonwealth's tax woes.

Woodside wrote a formal opinion in which he told Gov. John S. Fine that he could not draft such legislation and stay within the confines of Pennsylvania's constitution.

"It is our opinion that any act attempting to impose such a tax would be unconstitutional," Woodside said.

Rep. Baker W. Royer (R-Lancaster), a leading proponent of the levy, declined comment on Woodside's ruling until after the House Republican caucus next Monday. "I don't want to complicate matters," he said.

100 Million At Stake

Royer estimated 100 million dollars could be raised by a two per cent state tax on federal income tax returns. Lawmakers are now in a session-long deadlock, futilely attempting to close a 118 million dollar revenue gap in the commonwealth's \$1,400,000,000 budget.

Requested By Fine

Woodside wrote his opinion at the request of Fine who asked him to draft legislation for the tax-upon-tax plan.

"No conceivable plan of that nature, however intricate, could satisfy the uniformity requirements of the Pennsylvania constitution," he said.

The attorney general based his ruling on:

(1) A section of the state constitution declaring that all taxes must be uniform on the same class of subjects.

(2) A state Supreme Court decision throwing out a 1935 law calling for a graduated state income tax.

Lacks Uniformity

Under the federal income tax law, Woodside said, a person earning \$3,000 a year could pay from nothing to \$338 in federal taxes depending upon whether he had five dependents or none.

"The application of a fixed percentage (state tax rate) against these five varying amounts of federal tax liability for the same income would result in five different tax payments to Pennsylvania under the proposed bill," Woodside explained.

"Such variations and many others which might be cited created a manifest lack of uniformity which the court decisions strongly corroborate."

Describing the Royer tax plan as "a plain and palpable attempt at graduated taxation," Woodside said it would be an attempt to do indirectly what cannot be done directly.

Other Obligations

It would attempt, he said, to incorporate into state laws the federal graduated tax system with its deductions, exemptions and variations.

The Royer plan also would be an unlawful delegation of legislative authority, the attorney general said, declaring:

"The amount of revenue received by Pennsylvania under such a tax would be subject to all

MOST OF MAJOR JOBS YET AHEAD OF LEGISLATURE

By BEN FRENCH

HARRISBURG (AP)—The 1953 General Assembly enters its seventh month with most of its major work still ahead.

Only five other legislative sessions since 1776 have gone into the hot July weather of Harrisburg.

The present session, stymied by a prolonged tax deadlock, has turned out a record low of 73 new laws since it convened 178 days ago. Even the 1951 session, which lasted until Dec. 22, had written 203 new statutes by July 1.

Another Record

It took the present legislators 14 weeks—another all time record—to get their first bill into law. That was a 362-page modernized version

changes in rates, deductions and exemptions enacted by Congress or effected by administrative action or judicial interpretation.

"By reducing federal taxes in the middle of a Pennsylvania biennium Congress could unbalance the budget of Pennsylvania."

"The Pennsylvania General Assembly would thus be delegating to the federal government one of its most important functions."

NAVY PATROL PLANE IN SEA

KODIAK, Alaska (AP)—A twin-engine Navy patrol seaplane with 12 men aboard went down today in the Berin Sea near Adak in the Aleutian Islands. Hours later, search planes sighted only an oil slick and floating debris.

A spokesman for the 17th Naval District said the plane's pilot radioed at 8:50 a. m. (10:50 PST) that one engine had failed and that he was attempting an open-sea landing in heavy fog and a 50-foot ceiling. The pilot gave his position as near Great Sitkin Island, about

30 miles northeast of Adak and 1,000 miles southwest of here.

Several hours later, a Coast Guard plane reported sighting a large oil slick and floating debris at approximately the position given. Other search planes continued

to comb the area, without results.

The Navy said the plane, a Martin Mariner, was on routine patrol at the time it went down in the frigid sea midway between Alaska and Siberia.

Bat Of Dependable John Mize Breaks Yankee's Losing Streak; Indians And Braves Lose Again

By BEN PHLEGAR
AP Sports Writer

Now that the Yankees finally have quit losing maybe the Cleveland Indians will go back to playing better baseball.

Instead of concentrating on their own business, the Indians this week have been going through their paces with one eye on the scoreboard to see how much ground they were gaining on the fading New Yorkers. As a result they lost two in a row to the tail-end Detroit Tigers. They have a chance to make immediate amends since they go home tonight to face the usually docile Bengals in three more games.

The Yankees broke their nine game victory drought by edging the Red Sox, 5-3, in 10 innings at Boston yesterday. Cleveland bowed, 4-2, to Detroit and slipped six full games behind the World Champions.

Booklyn Wins, Braves Lose

The Chicago White Sox, who had yesterday and today off, also are six games back and just two percentage points behind the Indians.

In the National League the Brooklyn Dodgers made sure that they will be in first place on the morning of the Fourth of July traditional turning point of the pennant races. The Dodgers defeated Philadelphia, 8-0, and second place Milwaukee skidded a game and a half behind by losing to Cincinnati, 4-1. The rest of the National League clubs weren't scheduled.

Johnny Mize hammered the hit that broke the Yankee slump. Pinch hitting in the 10th with two out and Yogi Berra on third base, Mize drove a 3-2 pitch from Sid Hudson into left center field for a double.

First base was open at the time but Red Sox Manager Lou Boudreau gambled on pitching to Mize rather than waiting for Gil McDougald, the next scheduled hitter. As it was, McDougald then drew an intentional pass and Bill Martin brought in the insurance run with a single that scored Bill Renner, running for Mize.

Don Bollweg, yesterday's first baseman in Casey Stengel's ever-changing lineup, drove in three runs with a home run in the fifth inning and the New Yorkers thought they were going to win in regulation time. But George Kell opened the bottom ninth with a home run and forced the extra innings.

Al Rosen hit his third home run in three games to get Cleveland off in front at Detroit but the Tigers went ahead with a pair in the third on a walk, a wild pitch by loser Mike Garcia and singles by Johnny Pesky and Walt Dropo.

Senators, A's Rained Out

Don Lund produced the winning runs with a home run scoring Matt Batts ahead of him in the seventh.

Steve Gromek scattered seven hits in registering his third victory.

Washington's scheduled game in Philadelphia was rained out. So far this year Brooklyn's biggest difficulty has been its pitching but you couldn't find much wrong with Carl Erskine's seven hit performance against the Phillies. The shutout was only the fourth this season by a Brooklyn pitcher and it marked the first time in 18 games that the opposition hasn't hit a home run against the Dodgers.

Redlegs Get Homers

Brooklyn collected only eight hits, but six of them went for extra bases.

Cincinnati has hit 94 home runs, more than any other major league team and the Redlegs used them to good advantage in handing Milwaukee its eighth straight home loss.

Ted Kluszewski put the Reds in front in the first inning with his 23rd home run, tying the league lead. Eddie Mathews for the league lead, and Gus Bell hit his 21st in the ninth. The Braves' only tally off the five hit pitching of Bud Podbielan was a circuit blast by Del Crandall.

Turner And Lombardo To Fight At Hershey

HARRISBURG, Pa. (AP)—Gil Turner of Philadelphia, second ranking contender for the world welterweight crown, has signed for an eight-round fight against Johnny Lombardo of Mount Carmel July 23 at Hershey Arena.

Turner scored a seven round technical knockout over the 24-year-old Lombardo in May in New York. Lombardo has lost four other fights and had two draws in 37 professional starts.

Turner has won 37 of 40 pro fights.

BLUE JAYS AND ALBANY BATTLE

(By The Associated Press)

The Schenectady Blue Jays and the Albany Senators open a five-game series tonight, with third place in the Eastern League as the prize.

The Blue Jays moved to within a half-game of the third place Senators last night by edging the Wilkes-Barre Barons, 4-2, while the Senators' scheduled game at Scranton was rained out.

In the only other contest of a shower-spattered evening, the second-place Binghamton Triplets won at home over the Williamsport Athletics, 12-5.

The rain washed out a scheduled doubleheader between the Elmira Pioneers and the Reading Indians at Reading, enabling Binghamton to sneak up a half-game. The Triplets now trail Reading by four games.

Pitcher Dan Ramer of the Blue Jays tossed his fourth victory while Barons' Moundsman Harry Desert was slapped with his 10th loss in the game at Schenectady. Ted Birkland and Bill Fogg followed Desert to the hill for the losers but were unable to stem the Jay's 10-hit assault.

SELECT READING FOR PRO MATCH

BIRMINGHAM, Mich. (AP)—Reading, Pa., has been chosen as the site of a challenge match between the United States Ryder Cup team and a picked force of professional golfers.

The match will be played Sept. 18-20 at either the Berkshire or the Reading Country Club.

The announcement was made jointly yesterday by Al Cullum, representing Berks County, Pa., who made the challenge, and Joe Novak, chairman of the PGA international match committee.

The contest will take place before the American team leaves for Britain where they meet England's best pros at Wentworth, Oct. 2 and 3. The challenge team will be composed of players not eligible for the Ryder Cup squad.

Among the players eligible for the challenge team are former U. S. Open champion Julius Boros, who hasn't served his five-year apprenticeship, and Australian-born Jim Ferrier.

Bullets Meet Lions In Night Grid Game

READING, Pa. — Four night games, two at home and two away, are listed on Albright College's 1953 football schedule. Coach Eddie Gullian's Roaring Lions open Friday night, September 18, against Temple University in Philadelphia.

Other contests under the arc lights include Muhlenberg, Saturday night, September 26, at Allentown; Lafayette, Saturday night, October 3, the home opener, and Gettysburg, Saturday night, October 10, also at home.

The schedule, announced by Gene Shirk, Albright faculty manager of athletics, follows: *September 18, Temple, away; *September 26, Muhlenberg, away; *October 3, Lafayette, home; *October 10, Gettysburg, home; October 17, Homecoming Game; October 31, Moravian, away; November 7, Lebanon Valley, home; November 14, PMC, away; November 21, Scranton, away. (* Denotes night games.)

Fire Forces Forty Families To Flee

PHILADELPHIA (AP)—Fire ripped through a four-story warehouse of the Eagle Upholstery Co. in a thickly-populated area of North Philadelphia today, causing the evacuation of 40 families from their homes.

The blaze, a six-alarm fire, brought out nearly all fire equipment in the central and north Philadelphia areas. It was brought under control after a two-hour fight.

Cause of the blaze was undetermined, nor was there an immediate estimate of damage. There were no casualties.

MATCH PLAY AT BIRMINGHAM IS ON CARD TODAY

BIRMINGHAM, Mich. (AP)—The main event in one of golf's finest shows—the match play in the annual PGA tournament—got under way with two nice little guys who haven't been doing too well lately at the opposite ends of the bracket.

One was bronzed Jimmy Turnesa of Briarcliff, N. Y., the defending champion; the other Johnny Palmer of Badin, N. C., the qualifying medalist and now co-holder of the PGA qualifying record. Between them they haven't won as much as Ben Hogan in this year's tournaments.

Turnesa hasn't won a tournament since last year's PGA and his "appearance money" as champion has amounted to almost as much as the \$4,900 prize money he has taken.

Top Performance

Palmer, a pudgy, likeable guy who celebrated his 35th birthday today, hasn't won since his record victory in the 1952 Canadian Open. He has earned about \$7,000 on the tournament circuit this year, including \$250 for winning the qualifying medal yesterday.

Palmer's qualifying performance was one of the finest seen in 35 years of PGA tournaments. He shot rounds of 68-66-134 over the 6,465-yard Birmingham Club course on a day when strong gusty winds made good scoring difficult and when violent storms were expected any minute, but never arrived.

That score equalled the PGA record set by Jim Ferrier in 1946 and equalled by Skip Alexander in 1948 and the 66 matched the course record. Palmer, who moved from the caddy ranks and a soda jerking job into professional golf, didn't even seem surprised. He said he drove very well and sank some good putts.

Turnesa, who didn't have to qualify for match play, tried it anyway and came through with two rounds of 70 which stamped him as a serious title contender.

Midnight Deadline On All-Star Lineups

CHICAGO (AP)—Balloting will end at midnight tonight in the 1953 poll to name the National and American League lineups for the 20th annual All Star baseball game in Cincinnati on July 14.

In the latest tabulations of returns at the Chicago Tribune's balloting headquarters, the 16 leaders for starting posts in the lineups retained their positions. The poll started June 12.

Mickey Mantle, New York Yankee center fielder, still led the individual vote getting with 679,858 ballots. Ted Kluszewski, Cincinnati Reds first baseman and the hero of last night's triumph over the Milwaukee Braves, is the second highest individual vote getter with 667,204. Kluszewski is far ahead of Brooklyn's Gil Hodges in the race for the first base starting job.

Littlestown collected seven hits while Cashtown secured six. Don Bucher, Chet Cornwell and Eugene Kane divided the pitching for Cashtown with Johnny Wetzel and Bill Bucher sharing the catching. Schwartz hurled for the winners with Boyd doing the receiving.

HOGAN IS PICKED IN BRITISH OPEN

CARNOUSTIE, Scotland (AP)—Britain's legal bookmakers, scared to death of blazing Ben Hogan in his first bid for the British Open Golf Championship, made the little Texan their betting favorite today at the fantastic odds of only 7 to 4.

A few of the canny Scottish oddsmakers who have watched the American champion in warm-up rounds for the week-long grind starting Monday would offer no better than 6 to 4.

This is the same as saying they'd rather not bet against him.

The way Hogan has dominated pre-tournament speculation was further reflected in the odds of 5 to 1 generally available against Bobby Locke.

The big South African has merely won this title three times and is in fact the defending titleholder.

The term "paint" comes from the Sanskrit and means "to adorn."

PICK CAMPBELL IN DECATHLON

PLAINFIELD, N. J. (AP)—A 19-year-old schoolboy who may be the man to extend the United States 24-year victory string in the 1956 Olympic decathlon is favored to win his first National AAU decathlon in the annual 10-event, two-day grind starting tonight.

He's Milton Campbell, who only a few weeks ago ended a brilliant high school athletic career ranging from football games on the same field to second place in the 1952 Olympic decathlon. He finished behind Bob Mathias then, just as he did in his first crack at the decathlon in the final Olympic tryouts.

But Mathias, a recent bridegroom, won't be on hand to add to his brilliant collection of four national titles, two Olympic championships and the world record of 7,887 points. A year older, and presumably stronger, the 6-3 218-pound Campbell should easily outstrip his 7,054 points in the Olympic tryouts and 6,975 in the games, when he injured his shoulder in the pole vault.

Ronnie Kump Now Has 9-4 Record

Ronnie Kump, former local baseball star, continues to set the pace for the Columbus, Ga., pitching staff in the Sally League as of records on June 25.

Kump now has a record of nine victories and four defeats for a team which has won 29 and lost 34. He has hurled 111 innings, tops for the staff, allowed 110 hits and 35 runs, walked 38 and struck out 48.

South Penn All-Star Game Sunday At Bonneauville; Pen-Mar Has Eight Tilts

The annual South Penn All Star game, which will be played at Bonneauville Sunday afternoon at 2 o'clock, and eight scheduled games for Saturday and Sunday in the Pen-Mar League, feature the holiday week-end sports program.

A flip of the coin established Bonneauville as the site of the All-Star game after Tuesday evening's game in which Taneytown defeated Huntersville to gain a first place tie with Bonneauville for the lead. League rules call for the top team on July 4 meeting a team composed of players from the other seven teams.

Roger Blettner, Taneytown manager, will handle the team to oppose Bonneauville which will be piloted by Manager Richard Weaver. Each team in the league, other than Bonneauville, will send two of its players for the game.

This evening at 6 o'clock Huntersville and Bendersville will play on the latter's field to make up a postponed game.

There will be plenty of action for followers of the Pen-Mar circuit with games being listed for Saturday and Sunday afternoons.

The schedule follows:

Saturday
New Oxford at New Windsor.
Emmitsburg at Union Bridge.
Cashtown at Blue Ridge Summit.
Thurmont at Littlestown.

Sunday
Thurmont at Cashtown.
Blue Ridge Summit at Emmitsburg.

New Windsor at Littlestown.
New Oxford at Union Bridge.

Thief Mistakes Fire Siren For Police Car

PITTSBURGH (AP) — Police in nearby Penn Township are chuckling over an auto thief who mistook a fire engine for a pursuing patrol car.

Officers had just received a stolen car report last night when fire sirens sounded.

Racing to a minor blaze, firemen were startled to see a motorist ahead of them stop his auto violently, leap out and run.

Police supplied the answer. The auto was the one that had been reported stolen and the thief just wasn't taking chances when he heard sirens.

GOD'S RIGHTEOUSNESS REVEALED

Romans: 1:8-17; 2:1-2; 3:21-22

Memory Verse: For I am not ashamed of the gospel: It is the power of God for salvation to every one who has faith. Romans 1:16

We begin a new quarter of Bible study with a brief examination of Paul's letter to the Christians in Rome. The Apostle had desired for some time to visit the brethren in Rome but the way did not seem open. But he could write a letter. This he did, probably in the year 58 A.D. Many students of the New Testament literature consider this letter the most important—next only to the four gospels.

Samuel Coleridge, the British poet, has called it "the most profound

work in existence." It is one of the several "teaching books" of which Paul wrote the major number. Actually they are not in books but in letter form; letters written as conditions and circumstances in the new churches seemed to require.

The most noted writer of these letters is Paul. He had a keen mind and a sharp conscience and so was well fitted to advise and direct the thinking and actions of his fellow Christians. And he never seemed to forget the persecutor he once was, and how he found Christ who gave him a new spiritual birth. He was eager now to share the "spiritual gifts" he had received with others. That caused him to write his letter to the Romans. Among these Chris-

tians were gentiles — both Greeks and Romans. For then he has a special message and on a much debated matter. It was whether a gentile could become a follower of Christ without first accepting certain Jewish laws and customs. That was discussed in his letter to the Galatians. It was decided in a conference of church leaders in Jerusalem that the gospel was for all men — Jewish and Greek alike. No need first to become Jewish in man-made laws and practices. Paul felt "under obligation both to Greeks and barbarians, both to the wise and foolish" to preach the gospel.

He preached and taught the universality of the gospel. In this letter to the Romans he developed what is known as the doctrine of Justification by Faith. It does not deny the law as indicated in the Ten Commandments. But it does hold that one cannot completely obey the Commandments. Paul knew his own weaknesses. He observed the sins of others—good men. No man, he believed, could

satisfy the demands of God which called for righteous living. There must be another way. That way is Christ, he believed. And so he declared: "By grace are you saved through faith; and that not of yourselves: it is the gift of God." (Ephesians 2:8) That is, God gave His beloved Son to live among men, and finally die for them on the Cross. He identified Himself with mankind, took upon Himself their sins out of love and mercy. Atonement is a part of this teaching of the gospel as preached also by other apostles. It is included in the pure Christian doctrine. To the Roman Christians Paul says, "I am not ashamed of the gospel, it is the power of God for salvation." And so it is for anyone of God's people who comes to Him in faith.

The Commandments still stand as guide posts. But self-examination reveals to any honest man that the perfect life now, and the bliss of the eternal life cannot be attained by our own best efforts. We all need to rely on the mercy

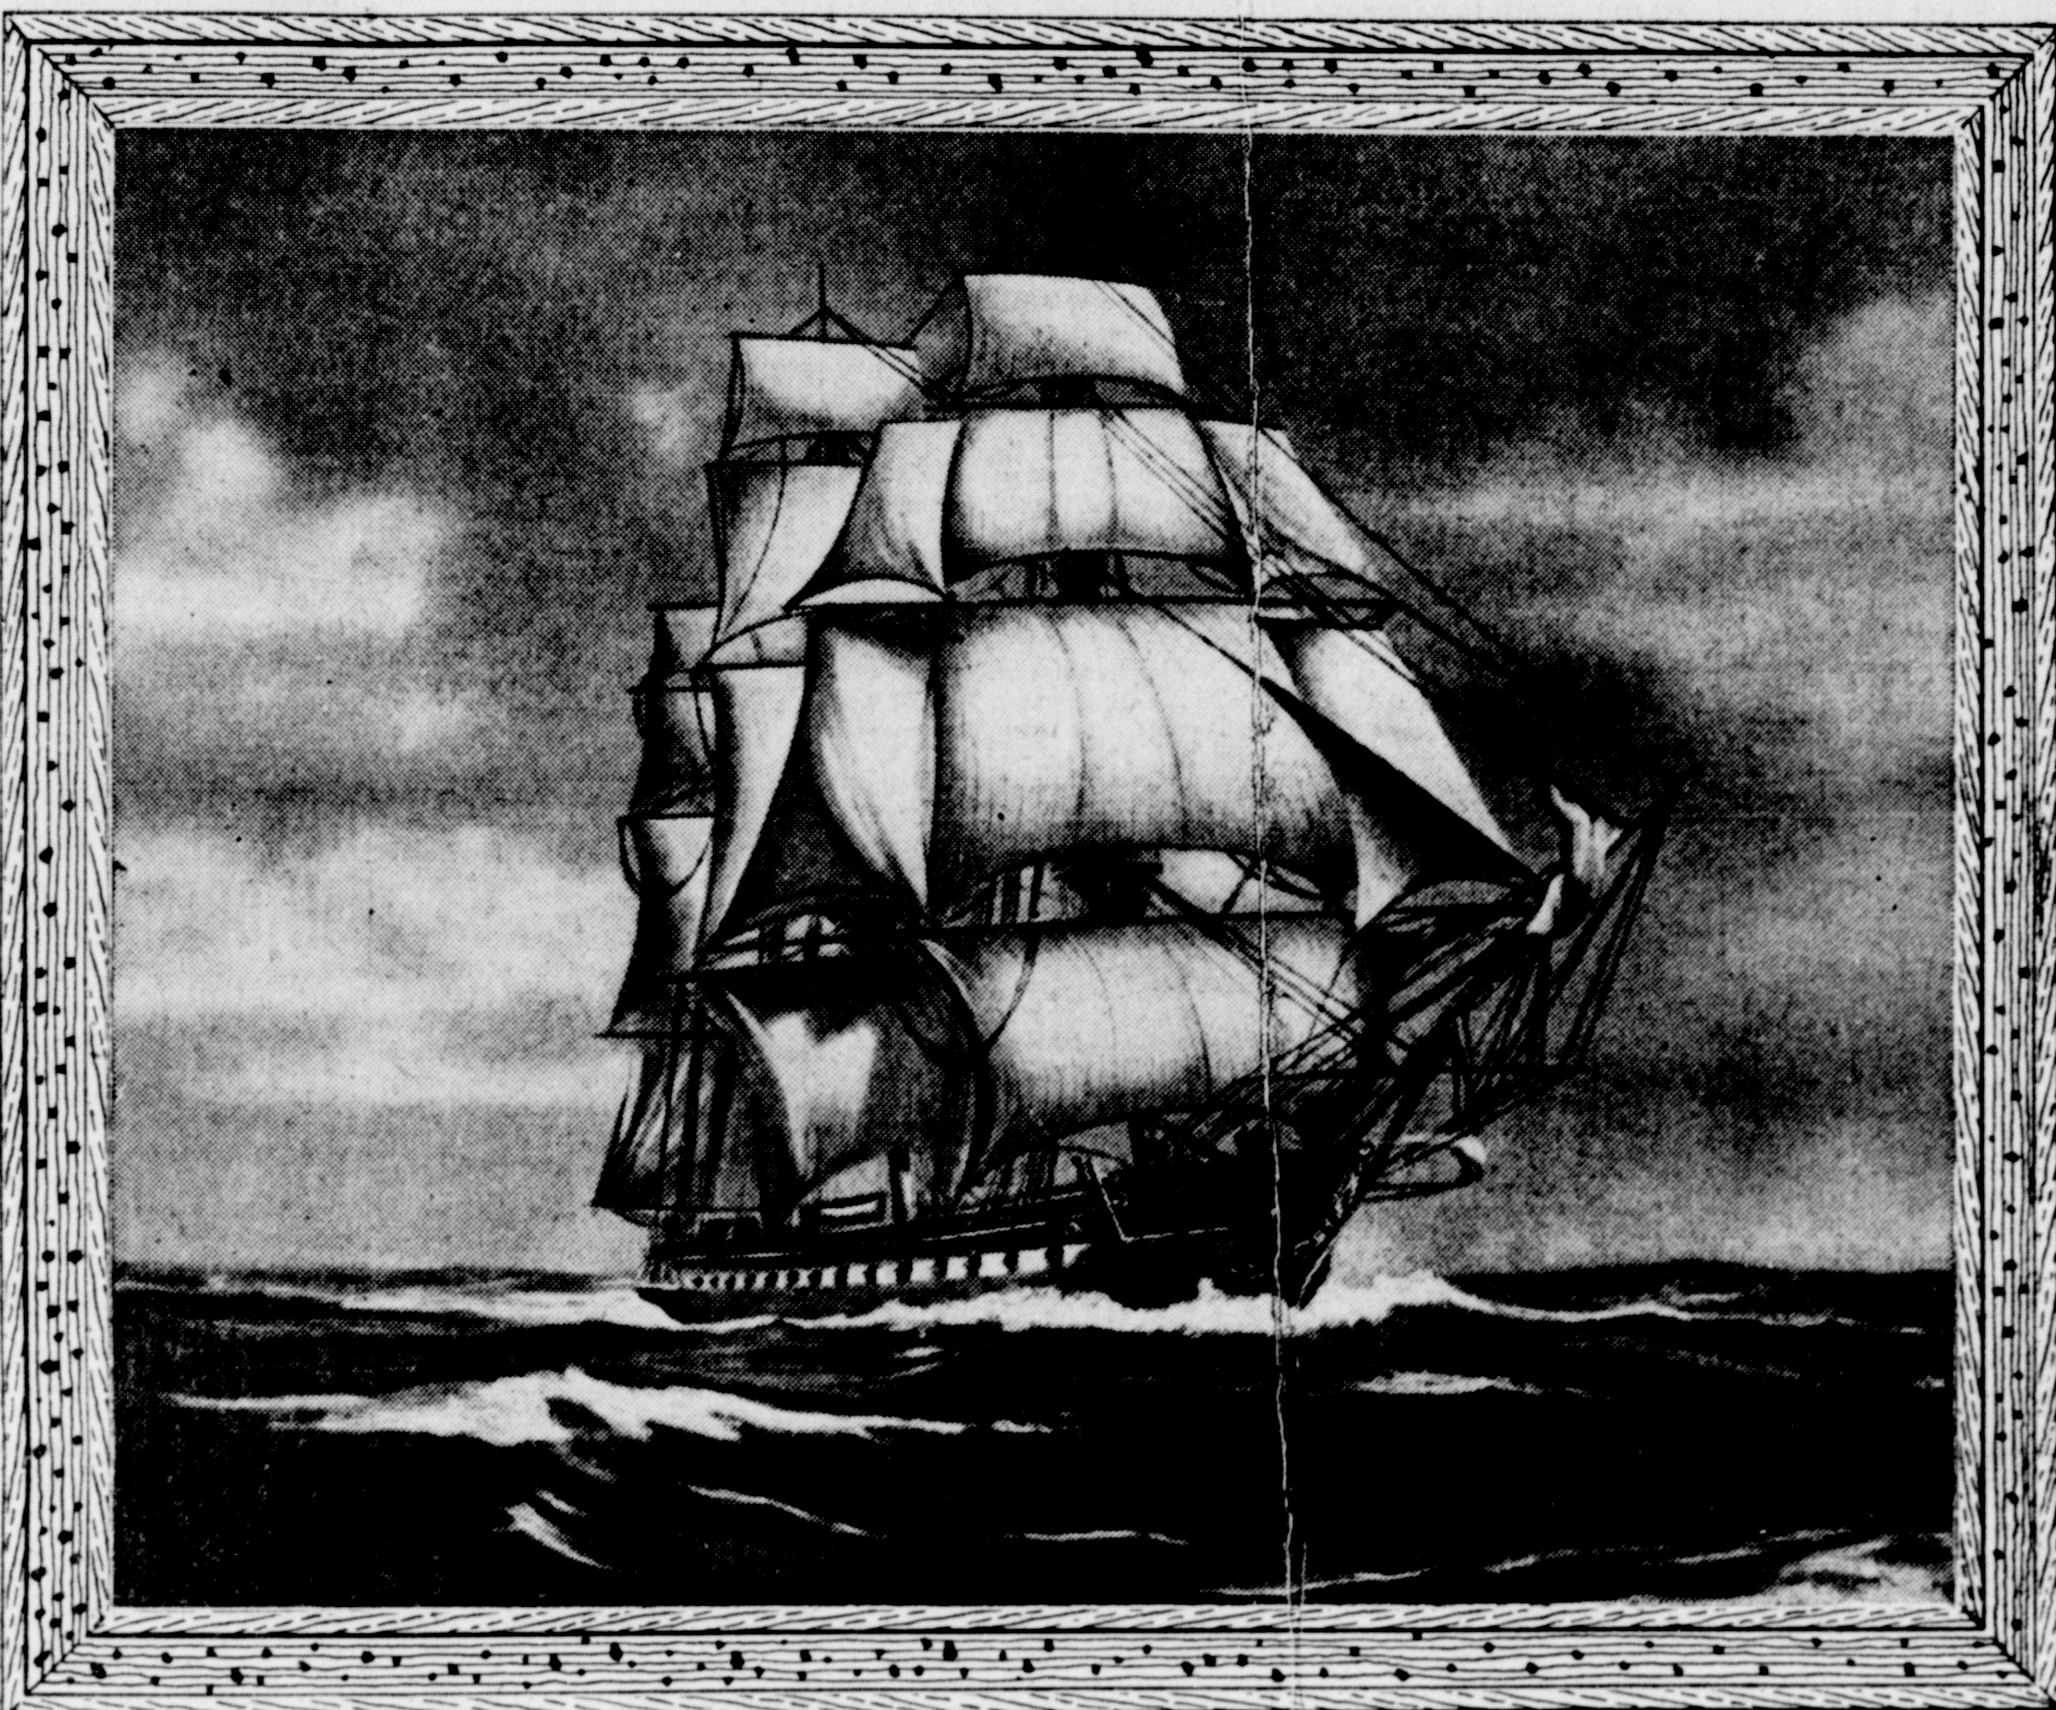

of God through Christ. This teaching of Paul is not preached too much in our day, but the truth of it remains.

I lay my sins on Jesus,
The spotless Lamb of God;
He bears them all, and frees us
From the accursed load.

LOST CAVE HUNTED

TUCSON, Ariz. (AP) — Dr. Bertram S. Kraus, head of the anthropology department at the university of Arizona, is spending week ends searching for a cave in the nearby Tucson Mountains discovered — and then lost — recently by two young boys. The boys said they ran from the cave when they saw two human skeletons in it. They discovered the cave while chasing wild pigs.

OLD IRONSIDES

Thanks to a succession of victorious engagements with British men-of-war, and a stirring poem by Oliver Wendell Holmes, the U.S. Frigate Constitution found an honored harbor in the hearts of Americans.

Launched in 1797, this gallant battle-wagon of the early American Navy well deserved her nick-name. Again and again she sailed in defense of Freedom; and Time alone, of all her foes, put her out of action.

We cherish Old Ironsides as a symbol of the courage that has so often preserved the liberties our forefathers purchased so dearly. And, more than ever before, we are coming to appreciate the part the Church plays in strengthening our nation—the Church which those first Americans brought to these shores that they might worship God unhindered in a free new world.

For, transcending even Time, the Church fortifies our Freedom with the Faith in which always it has flourished!

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Stones Used To Make Door Stops

Children participating in the community recreation program in Littlestown are making paper weights and door stops by painting smooth stones. Honorable mention was won by Jimmy Bowersox for his excellent door stop. The younger boys and girls this week made doll cradles from oatmeal boxes and painted tin cans for flower pots. JoAnn Beamer received honorable mention for the flower pot which she made.

Working with plaster of paris molds has kept the children busy during the afternoon sessions. A new mold of a Dutch girl was received and used. Next week pot holders will be made at the morning sessions. Children desiring to make these should bring to the playground embroidery thread, needle and two paper plates. Those wishing to make yarn dolls should bring yarn. Mrs. Kay C. Sentz and Clayton L. Evans are the playground supervisors.

TO HOLD PICNIC

The annual picnic for the members of the Men's Brotherhood of St. John's Lutheran Church and their families will be held Sunday, July 12, at Walter D. Shoemaker's cottage, near Fairfield. A basket luncheon will be enjoyed. The group will leave from the parsonage on West King St. at 12:30 p.m.

You can keep mashed potatoes hot and fluffy if you place them over hot water and cover them tightly.

Rev. Harvey B. Simons, pastor, Sunday, Sunday School, 9:30 a.m.; morning worship, 10:30 a.m., sermon by the pastor.

St. Aloysius Catholic Church, the Rev. Fr. Edward J. Shanahan, pastor, Saturday, mass at 8 a.m.; confessions will be heard from 6:30 to 6:55 p.m. and following the monthly devotion in honor of Our Lady of Fatima at 7 p.m. Sunday, masses at 7:30 and 9:30 a.m. with devotions in honor of Our Lady of the Miraculous Medal following both masses. Daily mass, 7:30 a.m. Tuesday and Wednesday evenings, men of the parish will meet at St. Aloysius Cemetery with equipment for cutting grass to improve the burial grounds.

Littlestown Firm In Tomato Council

A new organization of tomato canners has been formed under the name of Tomato Council, Inc., with headquarters in Easton, Md., for the purpose of stimulating production and sale of canned tomatoes. Among the charter member canning companies of Tomato Council, Inc., is Mervin J. Harner and Son of Littlestown, to be represented on the council by Mervin J. Harner.

At present Tomato Council, Inc. is composed of 46 canner members from the states of Delaware, Maryland, New Jersey, Pennsylvania, and Virginia. Together they represent about one-tenth of the entire tomato pack in the United States. Eventually, it is expected that tomato canners from all areas will join the group.

The new organization is already planning several promotional events for canned tomatoes and will make available promotional materials for members to use in their own markets. The Fall promotion will be tied in with the Macaroni Institute and National Macaroni Week. An official symbol and slogan have been chosen by the Council. The slogan is: "Canned Tomatoes—All Ways Delicious; Red, Ripe and Ready-to-Eat."

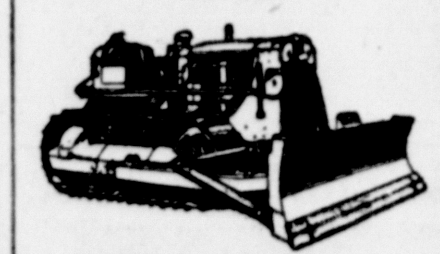

Harvey J. Jarboe, Harrison and Jarboe, Sherwood, Md., has been elected president of the group. John W. Rue, Easton, Md., is secretary and Calvin L. Skinner, Easton, is manager.

SEE TROUBLE FOR RECIPROCAL TRADE MEASURE

WASHINGTON (AP) — President Eisenhower's requested one-year extension of the reciprocal trade agreements law now has passed both House and Senate, but a fight still is likely before it reaches his desk.

The Senate, in passing the measure late yesterday, knocked out of the bill a House provision which would add a seventh member to the Tariff Commission so as to give the Republicans a four-to-three edge.

This provision was put in originally to persuade key Republicans on the House Ways and Means Committee to let the measure go to the floor.

See Trouble Ahead
Several of these Republicans favor higher protective tariffs.

They are not expected to look kindly on the Senate's rejection of the plan to boost the commission size.

The ways and means committee has been embroiled in the bitter House fight over extension of the excess profits tax. This might contribute to a dispute on the Tariff Commission issue when the reciprocal trade bill goes to a Senate-House conference to iron out differences. Top-ranking members of the committee will serve as House conferees.

However, a Senate Republican leader said privately he expected the House would accept the Senate

Sen. McCarthy Out To Check On Truman

WASHINGTON (AP)—Sen. McCarthy (R-Wis.) said today Atty. Gen. Brownell has ordered a search of Justice Department files to determine whether former President Truman ever handed it a list of about 150 Americans suspected of spying for Red Russia.

The results of that search, McCarthy said, will decide whether he will ask the Senate investigations subcommittee he heads for permission to call Truman as a witness.

McCarthy had announced Monday he was asking Brownell for a report on whether Truman obtained a list of 150 suspected spies from Canadian Prime Minister Mackenzie King in 1945. If this was so, McCarthy said, he wanted to know "why these United States citizens were not prosecuted."

Sen. Taft of Ohio, the Republican leader, has said it would be impossible to get a provision for a seven-member Tariff Commission through the Senate in the face of any united Democratic opposition.

Both Southern and Northern Democrats have been strong for the reciprocal trade program since it was first put through in 1934.

The Tariff Commission has an important role in the program because it advises the President on all changes in import duties. It has had six members—three Republicans and three Democrats—since it was established in 1916.

The reciprocal trade law expired June 12 because of House delay it was established in 1916.

PROTESTANT CLERGY FACE "RED" CHARGE

WASHINGTON (AP)—J. B. Matthews (R-Wis.), has been accused by three Democrats of launching "a shocking and unwarranted attack against the American clergy."

The outcry was stirred by an article Matthews wrote in the July issue of the American Mercury magazine alleging that "The largest single group supporting the Communist apparatus in the United States today is composed of Protestant clergymen."

Sen. McCarthy (R-Wis.) declaring he has "no remotest intention of investigating the clergy under any circumstances," quickly rallied to Matthews' defense yesterday.

Vast Majority Loyal

"This is hardly an attack upon the Protestant clergy," McCarthy said in a prepared statement which noted the article also declared "It hardly needs to be said that the vast majority of American Protestant clergymen are loyal to the free institutions of this country."

Matthews took over Monday a week ago as staff director of the Senate investigations subcommittee which McCarthy heads.

Senators McClellan of Arkansas, Symington of Missouri and Henry Jackson of Washington, its Democratic members, petitioned McCarthy to call a special closed door meeting "to consider appropriate action," McCarthy said the meeting probably would be held Tuesday.

Sen. Mundt (R-SD), another member, said he had not heard of the article before, but commented: "It seems to justify the attention of the subcommittee to find out what it's about."

There was no immediate comment from the other Republican members, Senators Potter of Michigan and Dirksen of Illinois.

Matthews has had a long career as a Red-hunter, first as staff director of the House Un-American Activities Committee when it was headed by Rep. Dies (D-Tex.), and later as a consultant to various government agencies.

Story On Detroit Ban Stirs Action

DETROIT (AP)—Deputy Defense Secretary Roger Kyes says that "If any word has been passed around the Pentagon to shun the Detroit area on future military contracts it will be quickly countermanded."

And Sen. Ferguson (R-Mich.) quoted Air Secretary Talbot as saying the Air Force "doesn't have in mind the cancelling of any other contracts in Michigan."

The cause of it all was a story in yesterday's Detroit News that word had gone out around the Pentagon (Defense Department headquarters) to shun the Detroit area on future defense contracts because of "labor union abuses."

The news story quoted unidentified Pentagon sources as saying that "an indifferent labor force" caused the cancellation by the Air Force of a multi-million dollar contract with Kaiser Motors recently for transport aircraft.

Mrs. Louise Moul is a surgical patient at the West Side Hospital, York.

Mr. and Mrs. Bernard Kuhn and daughter, Doris, spent several days in Philadelphia the past week.

HOUSE GIVES IKE MONEY BACKING BUT MAKES BIG CUT IN DEFENSE

WASHINGTON (AP)—The House gave President Eisenhower's military judgment a heavy vote of confidence yesterday, but upheld a billion dollar cut in his "minimum" request for new defense funds.

The House unanimously approved without change \$34,434,140,500 in new money for the fiscal year which began last Wednesday, after beating down an attempt to restore \$1,175,000,000 cut from funds for the Air Force.

The total is \$1,337,422,500 less than President Eisenhower requested, after slicing five billion dollars from former President Truman's recommendations.

Senate Fight Ahead
The measure now goes to the Senate, where it is expected to face another fight over how much money the Air Force should get.

Leaders on both sides of the two-day House debate credited Eisenhower's personal prestige with a vote showing strong support for the President's 1955 goal of a 120-wing Air Force, rather than the 143 wings under Truman's program. A wing ranges from 30 to 75 planes.

Final passage of the over-all defense bill came on a roll call vote of 386-0. But the crucial test over Air Force power was decided by a roll call vote of 230-161.

Thirteen hours later, Joyce arrived at Wall. The driver wanted \$240 for the jaunt. Her prospective gave him \$150.

A hasty phone call to New York brought the still-waiting Sgt. Sonovick hurrying home for a joyful reunion—finally—with the girl he first met in 1950 while serving in England.

Two-Day "Wildcat" Strike Is Ended

ST. LOUIS (AP)—Streetcars and buses ran again today after union officials ordered an end to a two-day "wildcat" strike of motormen and drivers.

Some transit vehicles began operations just before the rush hour last night, but service was irregular as some operators failed to show for work.

Employees who stayed off their jobs said they didn't want to work until they had a contract. The contract between the union and the company expired at midnight Tuesday. Workers left their jobs Wednesday morning, although union officials had agreed to extend the contract pending a new agreement.

The company refused to continue negotiations until the walkout ended.

Shell Fragment Bursts; Boy Hurt

MUNCY, Pa. (AP)—A Korean War veteran has told authorities that he returned home with a part of a shell which exploded Tuesday and seriously injured his cousin.

State police said William H. Oden Jr. admitted hiding the head of an anti aircraft shell in the barn near here where Mary Lou Oden, 19, of Muncy, R. D. 1, was injured. She suffered severe leg injuries when the missile exploded at her feet while she was feeding a dog in the barn.

Police ruled the explosion an accident and said no charges would be made.

INDEPENDENCE DAY...

Down through the years has come our priceless heritage of Liberty... so dearly won... so gallantly defended by generations of brave Americans. It now becomes our responsibility to protect and preserve these precious rights. To their perpetuation, let us all (in the spirit and words of the founders) "mutually pledge to each other our Lives, our Fortune and our Sacred Honor."
